Thousands of Freedom Festival goes in 2017 will get a real taste of Hull as part of a long-term community harvest project which will culminate in a spectacular feast that will form part of the 10th festival celebrations for the region's largest international arts festival. Freedom Festival Arts Trust in partnership with Hull Harvest Festival (supported by Keepmoat and ABP) are co-creating the Freedom FEASTival, the biggest locally grown and shared feast ever seen in the city. There are lots of ways of getting involved throughout the summer. This is an amazing opportunity to dig in, meet lots of people and together create something incredible!

## 'Veg pledge' champions

Help us spread the word - putting up posters, flyering, recruiting growers.

## Logistics/Growing/Harvesting

Helping us grow and harvest crops across sites in and around the city. Drivers willing to give lifts would be very welcome.

## Kitchen Assistants

Supporting head chefs with whatever they need

## Head Chefs

Qualified & creative with experience of improvising and cooking for large numbers of people.

## Front of House

The face of the Freedom FEASTival communicating, seating guests and serving on the day.
